- VHF, UHF, 700 and 800 MHz in one radio.
- Exclusive patented noise-suppression technology.
- Integrated GPS receiver.
- Analog, P25 Conventional, and P25 Trunking Phase 1.
- Software Upgradeable to P25 Phase 2.
- Scanning across all bands and all protocols.
- 3 Year Warranty.

Call today to schedule an interactive demonstration of this groundbreaking technology: (718) 729-2044.

NOT FOR EVERYONE

Not every land mobile radio user has a need to interoperate with users in other frequency bands or protocols. But if there are needs in your organization for key personnel to have instant access to multiple bands or to operate in high noise environments, the XG-100 offers a powerful and unique combination of capabilities.

CUSTOMERS MATTER

We recognize that the very fabric of Eastern's success is the trust and loyalty earned from our customers. This type of relationship can only be earned over time by experiencing our company culture that says "Customers Matter". We aim to provide the best in quality products and services to satisfy our customers. Our goal is to earn the right to add your organization or agency to our list of customer references. That is our promise.
