CUSTOM INSTALLATIONS

Eastern has proven experience performing custom installations on a variety of vehicle types. Whether your needs include covert vehicles for law enforcement, public service vehicles for snow removal, oversized command vehicles or anything in between, our professional staff is equipped to design and implement the custom installation to meet your needs.

CUSTOMERS MATTER

We recognize that the very fabric of Eastern's success is the trust and loyalty earned from our customers. This type of relationship can only be earned over time by experiencing our company culture that says "Customers Matter". We aim to provide the best in quality products and services to satisfy our customers. Our goal is to earn the right to add your organization or agency to our list of customer references. That is our promise.
